MAJOR ANNOUNCEMENT 🇺🇸

Michael Seifert @realmichaelseifert

We're excited to go public with **\$CLBR** so that we can be a company by the people, for the people, and owned by "We the People".

There's a desperate need for the values of Main Street to be represented on Wall St. and we're grateful to provide a solution.

Onward and upward! 🇺🇸

PublicSq @officialpsq · 20m

We at PublicSq are providing a solution that helps freedom-loving Americans spend their hard-earned money with businesses that prioritize the values that have made this nation so special in the first place. We're excited to be going public with... [Show this thread](#)

Turns out most Americans don't like globalist corporations pushing woke ideology on them — most of us would greatly prefer to support businesses that share our values. @officialpsq helps make that happen! It's going public with \$CLBR, and I'm thrilled to be joining the board.
