Forward-Looking Statements

This communication may contain forward-looking statements for purposes of the “safe harbor” provisions under the United States Private Securities Litigation Reform Act of 1995. Any statements other than statements of historical fact contained herein are forward-looking statements. Such forward-looking statements include, but are not limited to, expectations, hopes, beliefs, intentions, plans, prospects, financial results or strategies regarding PublicSq. and the Proposed Transaction and the future held by the respective management teams of Colombier or PublicSq., the anticipated benefits and the anticipated timing of the Proposed Transaction, future financial condition and performance of PublicSq. and expected financial impacts of the Proposed Transaction (including future revenue, pro forma enterprise value and cash balance), the satisfaction of closing conditions to the Proposed Transaction, financing transactions, if any, related to the Proposed Transaction, the level of redemptions of Colombier’s public stockholders and the products and markets and expected future performance and market opportunities of PublicSq. These forward-looking statements generally are identified by the words “anticipate,” “believe,” “could,” “expect,” “estimate,” “future,” “intend,” “may,” “might,” “strategy,” “opportunity,” “plan,” “project,” “possible,” “potential,” “project,” “predict,” “scales,” “representative of,” “valuation,” “should,” “will,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this communication, including, without limitation: (i) the risk that the Proposed Transaction may not be completed in a timely manner or at all, which may adversely affect the price of Colombier’s securities, (ii) the risk that the Proposed Transaction may not be completed by Colombier’s business combination deadline and the potential failure to obtain an extension of the business combination deadline if sought by Colombier, (iii) the failure to satisfy the conditions to the consummation of the Proposed Transaction, including, among others, the condition that Colombier has cash or cash equivalents of at least \$33 million (subject to reduction for (x) transaction expenses of Colombier and PublicSq., up to an aggregate of \$15 million, and (y) the aggregate amount of any private financing transactions by PublicSq. consummated prior to closing in accordance with the terms of the Merger Agreement (as defined below)), and the requirement that the definitive agreement related to the business combination between Colombier and PublicSq. (the “Merger Agreement”) and the transactions contemplated thereby be approved by the stockholders of Colombier and by the stockholders of PublicSq., respectively, (iv) the failure to obtain regulatory approvals, as applicable, required to consummate the Proposed Transaction, (v) the occurrence of any event, change or other circumstance that could give rise to the termination of the Merger Agreement, (vi) the effect of the announcement or pendency of the Proposed Transaction on PublicSq.’s business relationships, operating results, and business generally, (vii) risks that the Proposed Transaction disrupts current plans and operations of PublicSq., (viii) the outcome of any legal proceedings that may be instituted against PublicSq. or against Colombier related to the Merger Agreement or the Proposed Transaction, (ix) the ability to maintain the listing of Colombier’s securities on a national securities exchange, (x) changes in the competitive market in which PublicSq. operates, variations in performance across competitors, changes in laws and regulations affecting PublicSq.’s business and changes in the combined capital structure, (xi) the ability to implement business plans, growth, marketplace and other expectations after the completion of the Proposed Transaction, and identify and realize additional opportunities, (xiii) the potential inability of PublicSq. to achieve its business and customer growth and technical development plans, (xiv) the ability of PublicSq. to enforce its current or future intellectual property, including patents and trademarks, along with potential claims of infringement by PublicSq. of the intellectual property rights of others, (xv) risk of loss of key influencers, media outlets and promoters of PublicSq.’s business or a loss of reputation of PublicSq. or reduced interest in the mission and values of PublicSq. and the segment of the consumer marketplace it intends to serve and (xvi) the risk of economic downturn, increased competition, a changing regulatory landscape and related impacts that could occur in the highly competitive consumer marketplace, both online and through “bricks and mortar” operations. The foregoing list of factors is not exhaustive. Recipients should carefully consider such factors and the other risks and uncertainties described and to be described in the “Risk Factors” section of Colombier’s initial public offering prospectus filed with the SEC on June 9, 2021, Colombier’s Annual Report on Form 10-K filed for the year ended December 31, 2021, as filed with the SEC on March 22, 2022 and subsequent periodic reports filed by Colombier with the SEC, the Registration Statement to be filed by Colombier in connection with the Proposed Transaction and other documents filed or to be filed by Colombier from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Recipients are cautioned not to put undue reliance on forward-looking statements, and neither PublicSq. nor Colombier assume any obligation to, nor intend to, update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law. Neither PublicSq. nor Colombier gives any assurance that either PublicSq. or Colombier, or the combined company, will achieve its expectations.
