Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of GrabAGun and Colombier II. These forward-looking statements are subject to a number of risks and uncertainties, including the occurrence of any event, change or other circumstances that could give rise to the termination of the Business Combination Agreement; the risk that the Business Combination disrupts current plans and operations as a result of the announcement and consummation of the transactions described herein; the inability to recognize the anticipated benefits of the Business Combination; the inability of GrabAGun to maintain, and Pubco to obtain, as necessary, any permits necessary for the conduct of GrabAGun’s business, including federal firearm licenses issued pursuant to the Gun Control Act, 18 USC 921 et seq. and special occupational taxpayer stamps issued pursuant to the National Firearms Act, 26 USC 5849 et seq.; the disqualification, revocation or modification of the status of those persons designated by GrabAGun as Responsible Persons, as such term is defined in 18 U.S.C. 841(s); the ability to maintain the listing of Colombier II’s securities on a national securities exchange; the ability to obtain or maintain the listing of Pubco’s securities on the NYSE following the Business Combination; costs related to the Business Combination; changes in business, market, financial, political and legal conditions; risks relating to GrabAGun’s operations and business, including information technology and cybersecurity risks, and deterioration in relationships between GrabAGun and its employees; GrabAGun’s ability to successfully collaborate with business partners; demand for GrabAGun’s current and future offerings; risks that orders that have been placed for GrabAGun’s products are cancelled or modified; risks related to increased competition; risks that GrabAGun is unable to secure or protect its intellectual property; risks of product liability or regulatory lawsuits relating to GrabAGun’s products; risks that the post-combination company experiences difficulties managing its growth and expanding operations; the risk that the Business Combination may not be completed in a timely manner, or at all, which may adversely affect the price of Colombier II’s securities; the risk that the Business Combination may not be completed by Colombier II’s business combination deadline and the potential failure to obtain an extension of the business combination deadline if sought by Colombier II; the failure to satisfy the conditions to the consummation of the Business Combination; the outcome of any legal proceedings that may be instituted against GrabAGun, Colombier II, Pubco or others with respect to the proposed Business Combination and transactions contemplated thereby; the ability of GrabAGun to execute its business model; and those risk factors discussed in documents of Pubco and Colombier II filed, or to be filed, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither Colombier II nor GrabAGun presently know or that Colombier II and GrabAGun currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements.
